2 Functions

The Association was first registered in 1977. It exists to provide good quality homes at affordable rents in a secure and attractive environment. Where possible those involved strive to build homes that, so far as possible, sustain communities through innovative design and adaptability.

Connswater Homes' vision is:

To continue to build homes and provide services that enhance communities.

We have a set of values that underpin this vision:

Our Values

- Respect – we will treat you with courtesy, dignity and recognise diversity
- Integrity – we will be upfront in our actions, fix what we do wrong and do what we say we will do
- Passion – we will be innovative in our thinking, committed in our approach and determined in our delivery.

Our strategy to achieve this is to **Listen, Learn** and **Deliver**

- **Listen** – we will put meaningful engagement with tenants and stakeholders at the heart of what we do.
- **Learn** – we will develop, support and empower people.
- **Deliver** – we will continually improve, enhance new ideas and deliver beyond expectations.
