

THE HOUSING SELECTION SCHEME

Applying for Social Housing in Northern Ireland

Introduction

The Selection Scheme was approved by the Department of Social Development and has been effective from 1st November 2000. It applies to accommodation owned by the Participating Landlords except where it is accommodation which is let on a temporary basis. A list of the Participating Landlords is provided with this booklet.

This booklet summarises the Rules used to assess the needs of applicants and to allocate such accommodation. A full copy of the Rules may be obtained by contacting any Housing Executive or housing association office.

Aims of the Scheme

The scheme has been devised to be fair and open and to give applicants freedom of choice in where they wish to live. Anyone applying under this scheme will be:-

- visited and assessed
- registered on a Common Waiting List
- allocated property according to the rules of the Scheme

Applying for Accommodation

If you are a Housing Executive tenant requesting a transfer or an applicant currently living in Northern Ireland applying for accommodation for the first time please phone 08448 920900. Your basic details will be recorded and a suitable appointment will be arranged for a housing officer to call with you to carry out a housing needs assessment.

If you are unable to apply by telephone please complete a Housing/Transfer Application Form which is available in all district offices or housing association offices, it can also be downloaded from the NIHE website www.nihe.gov.uk. The Form includes notes explaining the process. Please follow them carefully, and do not hesitate to contact the Housing Executive or a housing association office if you have any enquiries.

Housing Association Tenants

If you are a housing association tenant requesting a transfer a telephone service may not be available to you. Please contact your own landlord to enquire if you can apply by phone or whether you need to complete a Housing/Transfer application form.

Is Proof of Identity Required?

If you are not currently a Housing Executive or housing association tenant, you will be asked during the housing needs assessment for proof of identity if you have not provided it already.

This may consist of the following primary documents which should be current and valid and contain your photograph:

- Passport
- UK Driving Licence
- Translink Senior Smartpass
- National Identity Card
- Electoral Identity Card

If none of above is available, two primary documents may be used, they include:

- Benefit Payment Book(s)
- Birth Certificate
- Credit Cards
- Utility Bill(s) (previous quarter)
- Medical Cards
- Recent Bank Statements
- Wage Slip
- Marriage/Civil Partnership Certificate etc.

NB. If you are successful with your housing application you will have to supply identification to your Landlord when you are signing up for your new tenancy.

Homeless Persons

If you consider yourself to be homeless you should contact the Housing Executive directly. To help us decide what we can do for you, we will first need to establish your eligibility for housing/homelessness assistance in Northern Ireland.

The Housing Executive will also provide advice and assistance and, in certain circumstances temporary accommodation, if you are homeless or threatened with homelessness (subject to meeting the eligibility criteria or whilst investigations are being carried out into same).

Transfers

If you are already a tenant of the Housing Executive or a housing association, and you wish to move, you can apply for a transfer:

A request for a transfer will not normally be considered where:

1. The existing tenancy is less than two years old;
2. There are arrears of four weeks or more;
3. The tenant's existing property is not in a good state of repair or the tenant owes recoverable charges for repairs;
4. The tenant is guilty of any other serious breach of the tenancy conditions.
5. The tenant or a member of his/her household is guilty of unacceptable behaviour.

Exchanges

You may wish to 'exchange' homes with someone who has another secure tenancy.

If so, you should request permission in writing from your landlord, who will consider each case on its merits and will not unreasonably withhold approval.

Areas of Choice

When you apply for housing or request a transfer, you should indicate one, or preferably, two locations where you are prepared to live. There may be a number of landlords with accommodation in your areas of choice and you can also choose which of these you wish to be considered by.

You can also extend your areas of choice by opting for a wider General Housing Area (GHA) which would include more estates and possibly a greater choice of landlords.

You can obtain more information by contacting the Housing Executive or your existing Landlord.

Applying from Outside Northern Ireland

Your eligibility for housing in Northern Ireland and your housing needs will be assessed in the same way as any other applicant under the Rules of the Housing Selection Scheme. However as the Housing Executive is unable to carry out a visit you will be asked to complete a combined application and self assessment form.

Your housing needs will be assessed by the Housing Executive Office responsible for the area in which you want to live, and if you are eligible you will be placed on the Waiting List for your areas and Landlords of choice.

You can obtain the Housing/Transfer Application and Self Assessment Form by contacting the Housing Executive district office in the area you would like to live in or download the Form from the Housing Executive website under "Apply for a Home".

How the Scheme Works

Eligibility

To be eligible to apply you must:-

- Comply with the Application Requirements and
- be a Full Duty Applicant (FDA) under homelessness legislation, (see Page 16 (NI)) or
- meet both the Age and the Connection With Northern Ireland requirements (see below).

Generally you must have attained the age of 18 years at the date of application. In certain specific circumstances you may still be eligible where you are at least 16 years of age. You must also have a substantial connection with Northern Ireland. If you are in any doubt as to whether you are eligible to be considered for housing in Northern Ireland, please contact any of the Participating Landlords.

The Housing Executive will then investigate your eligibility for housing assistance. This will involve determining if:-

- a) You are a person from abroad who is not entitled to housing assistance: or
- b) You or a member of your household has been guilty of unacceptable behaviour.

A visit may also be carried out to assess housing need. Providing you are not deemed to be ineligible for housing assistance, you will be registered on the waiting list as quickly as possible.

NB The Executive will continue to review your eligibility to remain on the waiting list once you have been placed on it.

Assessment

When you apply you will be assessed and awarded points according to your housing need. The level of points awarded will determine your position on the waiting list. You may qualify for the award of points under four categories- these are:-

1. Intimidation

This category is intended to cater for applicants who are victims of sectarian, terrorist or racial attack, **Or** because of an attack motivated by hostility because of an individual's disability or sexual orientation, **Or** as a result of an attack by a person who falls within the scope of the Housing Executive's statutory powers to address neighbourhood nuisance, or other similar forms of Anti Social Behaviour it is intended to facilitate immediate rehousing.

2. Insecurity of Tenure

This refers to situations where applicants are homeless or threatened with homelessness. The level of points applicable may vary depending on the duty owed under legislation.

3. Housing Conditions

Points awarded under this category reflect adverse housing circumstances both in terms of physical conditions and the degree of sharing/overcrowding being experienced.

4. Health/Social Well Being Assessment

A comprehensive range of health and social well-being circumstances are acknowledged under this category. These include an applicant's ability to function within their existing home as well as any social, support and care needs they may have.

Points awarded under any of these categories will be added together to determine your total points level and your subsequent position on the waiting list. You will be informed of your points total in writing. The Points schedule is in Appendix 1.

Complex Needs

Some applicants may have special circumstances which mean they require intensive care and support.

This need may be met in a specialist housing scheme, where additional support or care services are provided or in general housing where a tailored support and care package has been arranged.

Where a specialist scheme is considered appropriate, applicants will be placed on a separate, non-pointed waiting list.

Where support and care can be provided within general housing, applicants may be awarded additional points under the Health and Social Well-Being category

Allocations

As a general rule, each dwelling will be offered to the applicant with the highest points.

Where points are equal, the date on which the application is received will decide the order in which applicants are offered accommodation.

Within your areas of choice there may be specific blocks of flats that have been designated under the Rules of the Selection Scheme by a Participating Landlord not to be allocated to a person under the age of 35 years of age, (the age criteria also applies to members of the household) unless there are exceptional personal circumstances prevailing. Further information can be obtained by contacting your local district office or housing association in relation to flats which have met the appropriate criteria and have been designated accordingly.

Landlords may disqualify certain applicants from being housed. This can apply, for example, in cases where the applicant has:-

- rent arrears
- abandoned a previous tenancy
- illegally occupied a dwelling
- been involved in serious Anti-Social Behaviour

You will be entitled to a maximum of three reasonable offers. If you refuse three reasonable offers you may not receive any further offers for a period of one year. Alternatively in some circumstances you may have your points reduced but still be considered for accommodation.

You are responsible for the accuracy of all information given on your application form and in the course of your assessment visit. You must also inform the landlord dealing with your application of every change of circumstances which may affect your application.

Where accommodation has been allocated on the basis of false or incorrect information your tenancy may be terminated.

You will be asked in writing each year whether you still need accommodation. Failure to reply may result in your removal from the waiting list.

If you deliberately worsen your circumstances in order to gain a higher ranking on the waiting list you may have the advantage of any additional points entitlement withheld for a period of two years.

Tenancy Agreement

There are two kinds of Tenancy

- Introductory
- Secure

Non Social Housing Tenants will start as Introductory Tenants. This means they will not have all the rights of a secure tenant, and could be evicted more quickly if they break the tenancy agreement.

An Introductory Tenancy will last for 12 months and providing there have been no problems at the end of the Introductory Tenancy they automatically become a secure tenant.

Advice and Information

If you wish to seek advice on, or assistance with the completion of your application form, or if you need any information on the types of accommodation or landlords in your areas of choice or indeed any other matter relating to your housing application, you should contact any of the Participating Landlords listed on page 13.
